Albena has made a name for itself as a European sports resort and has held this award since 2019; The top product Sports Around was developed for the first time in Albena and in the field of tourism; and so far this unique opportunity for all guests has not been used once in any other country in the world. The responsibility that this wonderful award brings with it is a constant impetus in Albena to bring as many sports activities to as many guests as possible. With Sports Around, every guest, no matter where they stay in the resort, can participate for free in any sports activity as part of the sports and entertainment program from all over Albena.

Choose from 16 different aerobic activities in four different places, 5 modern crossfit facilities, more than 15 beach volleyball courts and much more exactly on the date you want (from those offered) with the managers of your choice! And enjoy freedom of choice according to the original meaning of the word only in Albena!

Evening entertainment is of the highest priority in Albena! Every night only professional artists, who do this not only as a sideline, entertain our guests. This guarantees the highest quality of the entire Black Sea, even in the evenings where the famous open-air concerts are not held on the festival stage. Choose from beach parties, dance shows, dance evenings, cultural and folklore programs at special and selected venues or a concert program at your hotel, at the pool bar!

**July and August:** almost every night show program and concert on the summer stage
